

AUTÓGRAFOS
COLECCIÓN CASAVALLE

Dear Sir

With respect to the
brief preface to my
volume. I had intended
delaying it, till the title
page was printed,
which I suppose could
be done until Capt.
Fitz Roy's part is
ready. I should like
to wait till then, as
I may happen to disagree

some more errata.

But if it is of any
consequence, & I hear

from you again, I
will ^{at once} prepare the Preface.

The Chapter, Preface,
and title page will

be, I suppose, all
printed on one sheet,
^{be done}

& all ~~be~~ together. —

I wish the last sheet

of my journal was
struck off, for
Captain July Bog to
read at the table.
